Supply of one set of uniform to the Municipal peons and employees in Chickballapur.

--

Sir,

In forwarding herewith a copy of the resolution of the Town Municipal Council, Chickballapur passed at their meeting held on 18/12/45 in the matter of supplying certain employees of the Municipality with clothes, I have the honour to state that it is seen from the tabular statement enclosed that eleven servants have not been supplied with dress during the year 43-44 and that in the subsequent year only one set of clothing was given to them even though sanction of Government was obtained for supply of two sets to each servant. It is reported by the President that the sanction lapsed as the cloth required for the purpose could not be secured in the local market. The Municipal Council having considered the subject in their meeting on 19/12/45 have resolved that the cost of Rs.121/- involved to supply one more set to these servants during this year may be met from the closing balance of the current year.

The grant in the current year's budget for the purchase of Uniform to sweepers and servants is reported to be just sufficient to cover the current year's supply of one set and as one more set has to be provided as per latest resolution of the Municipal Council to the eleven servants noted in the statement the extra cost involved has to be met from the closing balance of the Municipality. The amount at the credit of the Municipality at the end of December 1945 was Rs.10,310-5-1 which is above the prescribed minimum In these circumstances, I request you to kindly obtain sanction of Government to the resolution of the Council to meet the extra cost involved in providing an additional set of clothes from the closing balance of the current year.

The connected papers accompany.

Sir,
